This bulletin is issued to modify, clarify or amend the requirements indicated in the Request for Quotation (RQ) No. 08-131P-A dated 02 August 2023, as a result of the queries raised by prospective bidders during the Pre-Bid Conference on 18 August 2023 and the written request for clarification:

Requirement	Revisions/Clarifications/Modifications
KVA Rating of Generator Sets	Bidders are allowed to submit higher or superior specifications but will not mean automatic award or consideration of its offer.
Dimensions of Generator Sets	The housing/space for the generator sets have been allotted thus, the required length and width are fixed. There can only be a modification as to the height requirement.
ISO Certificate issued to the principal supplier/participating bidder for the offered material or equipment brand name	If the equipment is to be procured from a principal supplier, the ISO certificate of the principal supplier must be submitted.  If the item is locally manufactured, the ISO of the participating bidder must be submitted.
Tests required for the generators	A factory test results as to the initial documentation for the workability of the unit is required.  Normal testing shall be conducted upon delivery of the units.
Fuel for testing generators	The fuel needed for the testing of generators will be provided by BWD.
Location of testing	As generators are to be delivered on-site, testing will be conducted at the location where the generators are intended to be utilized.

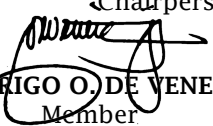

All other provisions in the Request for Quotation shall remain to be in full force and effect.

Issued this 23<sup>rd</sup> day of August 2023.
